

PACRAT RACE 1 RESULTS: Timberline - 1/14/07 – (revised)

Results Based on a Par Time of 33.46 seconds

What a great start to the new race season. Sun, no wind and a fun course thanks to Bruce and Gordon. We have 16 teams this year and Racy Brats jumped to a quick lead followed by Drunken Losers and another 11 teams within 20 points of third place. Don't be discouraged if you are not near the top to start as we have seen huge point swings in the past. Those teams who have the best participation will be in the running at the end so make sure your teammates show up to all of the races. We have 4 boarders this year and we'll score them with the 10% discount as prescribed by NASTAR. As for individuals, yours truly put the wife's Christmas presents to good use and came away with the fastest time followed closely by brother Bruce and Brian Jackson. Pam Loehner started up where she left off last year and had the top women's time. We had quite a good spread of upstrikes and downstrikes which indicates we had a good course for our first race of the season. We will be checking for obvious sandbagging and making adjustments accordingly so watch yourselves. Our next scheduled race is at Meadows Jan 28. Anyone wanting to participate in the FWRA Championships at Mt. Bachelor March 31 – April 1 please contact Dale Parshall right away. If the team captains could poll their team members and get back to Dale that would be very helpful. The race fee will be \$35. The HQ hotel is the Bend Riverhouse.

Remaining Races/Events: Meadows - 1/28/07; Ski Bowl - 2/18/07; Meadows - 3/11/07 (make-up if needed); Meadows - 3/25/07; 3/31/07 - Bachelor; Rat Attack - 4/13/07. Race Results and other information are on-line at www.pacrats.org

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes/upstrikes starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season.

Reminders:

An upstrike results in moving to a higher class next race (you can move more than one class with an upstrike). It takes two downstrikes in consecutive races to move down one class (you only move down one class at a time with downstrikes).

If you improve on your best handicap of the season you receive 3 bonus points.
